

Nu-Plus® E Series CU & CU-S Cartridges

Replacement Cartridges for CUNO® Series 8000 Filter Cartridges

The Nu-Plus® E Series CU and CU-S Cartridges are replacements that are compatible for the CUNO Series 8000 Filter cartridges.

- Utilize advanced carbon block technology to polish water for high quality beverage and ice.
- Reduce chlorine tastes, odors and other offensive contaminants.
- Remove fine dirt and particulate as small as 5 microns.
- The CU-S contains a slowly soluble scale inhibitor to reduce scale formation.

Capacity: 10,000 gallons (37,850 liters)
Flow: 1.5 gpm
