Check **Xylem Bell & Gossett Motor Status Listing** for current stock status. **Specials** require extended lead times.

Note: 620 PF, PVF (C-35) & 620 PF-B, PVF-B (B-35) pumps require shaft extensions.

Note: C-17 (3/4 HP through 2 HP) pumps require shaft extensions.

Shaft extensions and drive-lock pins should be ordered as separate items.

For explosion proof motors, please consult factory.
