

	Description of Section's Relevance	Plastic Outlet Boxes	Other Outlet Boxes	Outlet Box Valves and Components
Product Offerings	Various products offered by Oatey SCS [®] that apply to information as follows.	<ul style="list-style-type: none"> Polystyrene Washing Machine Boxes Polystyrene Ice Maker Boxes Extra Brackets or Faceplates 	<ul style="list-style-type: none"> Metal Washing Machine and Ice Maker Boxes Fire Rated Washing Machine and Ice Maker Boxes Extra Brackets or Faceplates 	<ul style="list-style-type: none"> Brass Valves and components Copper Valves and components CPVC components PVC components PEX Water Supply Tubes
Low Emitting Materials- VOC Emission Limits	Strictest VOC regulatory limit in which governs the above products.	There are no VOC regulations for these products.	There are no VOC regulations for these products.	There are no VOC regulations for these products.
Low Emitting Materials- Product VOC Content	Best estimate of the actual VOC content within product in g/L or % by weight. Products with low VOC content may assist in earning LEED credit and improving air quality.	These products have no VOC content.	These products have no VOC content.	These products have no VOC content.
Building Product Disclosure- Recycled Content of Materials	Recycled content used within product that may assist in earning LEED points.	There is no recycled content used within these products.	There is no recycled content used within these products.	There is no recycled content used within these products.
PBT¹ Source Reduction-Lead, Cadmium, Copper	Lead, Cadmium, and Copper content for use in determining LEED credit for PBT reduction.	There is no lead, cadmium, or copper present in these products.	There is no lead, cadmium, or copper present in these products.	Copper components- min. of 58% copper and max. 3% lead by weight. Brass components- max. 60% copper and 2.5% lead by weight. "Low Lead" components- max 0.2% lead and 65% copper by weight.

Red List Content	Any red list materials as defined by the Living Building Challenge (LBC).	These products contain no materials present on the red list.	These products contain no materials present on the red list.	Copper and brass components contain lead in them while CPVC and PVC components contain Chlorinated Polyethylene and Polyvinyl Chloride, respectively.
Conflict Mineral Content	Any materials within the product that may be from the DRC (Democratic Republic of Congo).	These products contain no conflict minerals.	These products contain no conflict minerals.	These products contain no conflict minerals.
Hazardous Substance Content (ROHS)	Any substances contained within the product reportable per ROHS guidelines.	No substances present which are reportable per ROHS guidelines.	No substances present which are reportable per ROHS guidelines.	Copper or brass components and valves contain lead.
Location(s) Where Manufactured	Manufacturing location of the product pertains to its carbon footprint. If jobsite area is within 500 straight-line miles ² of this location, LEED credit may be earned.	Locations of manufacturing: <ul style="list-style-type: none"> • Cleveland, Ohio 	Locations of manufacturing: <ul style="list-style-type: none"> • Taiwan (Metal Boxes) • Cleveland, Ohio (Fire-Rated) 	Locations of manufacturing: <ul style="list-style-type: none"> • Taiwan
Additional Information	Additional product information relative to LEED or environmental health and safety.	Outlet boxes are generally packaged with valves and components. Combine this information with relevant components for full information.	Outlet boxes are generally packaged with valves and components. Combine this information with relevant components for full information.	Valves and components are generally packaged with outlet boxes. Combine this information with relevant outlet box for full information.

¹PBT's are known as Persistent Bioaccumulative Toxins.

²For use in determining distance between jobsite and manufacturing location in straight-line miles, use tool provided by this link <http://www.daftlogic.com/projects-google-maps-distance-calculator.htm>.
